

Peer review form: initial design (5 marks)

Reviewer Group #: Group5

We are reviewing the project developed by group #: Group6

Part 1: case study presentation (1 mark)

Select **ONE** of the following options:

- ☒ **1 mark** - the presentation was clear, i.e. I was able to understand the case study
- ☐ **0.5 mark** - the case study presentation was partially clear
- ☐ **0 mark** - the presentation was unclear and/or didn't meet requirements

Comments:

The presentation was clear and well-structured, making the case study easy to understand. Great job!

Part 2: Context Diagram (1 mark)

Select **ONE** of the following options:

- ☒ **1 mark** - I believe that C4 Level 1 is correctly applied; I was able to understand the proposed solution
- ☐ **0.5 mark** - I believe that C4 Level 1 is correctly applied; I was NOT able to understand the proposed solution
- ☐ **0 mark** - I believe that C4 Level 1 is NOT correctly applied

Comments:

The context diagram was accurate and easy to comprehend. Well done!

Part 2: Containers (1 mark)

Select **ONE** of the following options:

- ☒ **1 mark** - I believe that C4 Level 2 is correctly applied; I understand the meaning of the proposed containers
- ☐ **0.5 mark** - I believe that C4 Level 2 is correctly applied; I DON'T understand the meaning of proposed containers
- ☐ **0 mark** - I believe that C4 Level 2 is NOT correctly applied

Comments:

The containers were clearly defined and their purposes were well explained. Excellent work!

Part 3: Components (1 mark)

Select **ONE** of the following options:

- ☒ **1 mark** - I believe that C4 Level 3 is correctly applied; I understand the meaning of the proposed components
- ☐ **0.5 mark** - I believe that C4 Level 3 is correctly applied; I DON'T understand the meaning of proposed components
- ☐ **0 mark** - I believe that C4 Level 3 is NOT correctly applied

Comments:

The components were detailed and their interactions were clear. Great clarity!

Part 4: Overall (1 mark)

Select **ONE** of the following options:

- ☒ **1 mark** - I believe that **C4 Model** is correctly applied; I understand the case study and the proposed architecture
- ☐ **0.5 mark** - I believe that **C4 Model** is correctly applied; I **DON'T** fully understand the proposed architecture
- ☐ **0 mark** - I believe that **C4 Model** is **NOT** correctly applied

Comments:

The C4 Model was correctly applied throughout, and the architecture was well understood. Fantastic overall presentation!
